Secretary to the Government of Mysore,
Law Department, Bangalore

Sir,

Subject:- Grant for Town Improvement works in Gudibanda.

- - - - - -

I have the honour to enclose, herewith, an extract from the resolution of the Minor Municipal Council, Gudibanda, requesting for a grant of Rs 1750/- for Town Improvement works in Gudibanda and to state that two estimates, one for sinking a drinking water well in Gudibanda for Rs 790/- and another for paving with burnt stone pieces to Soppirapete and Mallappa's lane for Rs 960/- are prepared and duly scrutinised by the Sanitary Engineer

This is a Minor Municipal Council with an annual income of Rs 2700/- and its finances are so meagre that it cannot provide civic amenities to the Town The Municipality has not received any grant from Government for the last 9 years from the year 1930-31 except a sum of Rs 500/- in the year 1937-38

It is reported that during the recent visit of the Minister for Local Self Government to that place, he was pleased to promise consideration of the full grant

In view of the meagre finances of the Municipality, I recommend that sanction of Government may kindly be obtained for an outright grant of Rs 1750/- out of the Town Improvement grant for 1942-43 without insisting upon the Municipal quota

I have the honour to be,
Sir,
Your most obedient servant,
